LETTER OF RECOMMENDATION

To Whom It May Concern,

I am pleased to recommend **Mr. Anuj Singh**, a third-year B.Tech student in Artificial Intelligence and Machine Learning from Thakur College of Engineering and Technology. He completed his internship at XpertPACE Technologies Pvt. Ltd. from August 18, 2025 to December 10, 2025, serving as a **Full Stack Developer**.

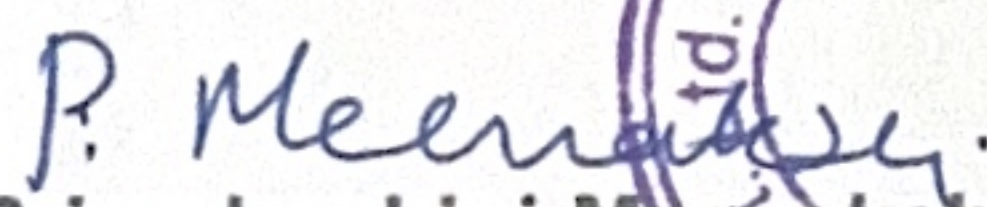

During his tenure, Anuj worked on the Medical Representative Visit Tracking Application, an enterprise-grade solution for the pharmaceutical industry. He demonstrated exceptional technical skills and professional commitment throughout the project.

As a Full Stack Developer, Anuj exhibited strong proficiency in frontend development using Flutter with cross-platform mobile development, state management, and responsive UI design. On the backend, he demonstrated expertise in Node.js, Express.js, and REST API design. He also showed competence in database management with PostgreSQL and Supabase, implementing SQL queries, RPC functions, and Row Level Security. His work encompassed authentication systems, role-based access control, and cloud deployment using Supabase Storage.

Beyond technical capabilities, Anuj demonstrated excellent teamwork and collaboration, strong documentation practices, and the ability to translate business requirements into technical solutions. He maintained professional communication throughout the project and showed initiative in learning new technologies and frameworks.

I highly recommend Anuj Singh for any future opportunities in software development. His technical proficiency, professional attitude, and commitment to excellence make him a valuable asset to any organization.

Sincerely,

Priyadarshini Meenakshi
Co-Founder, Partner
